2008.09.25: Photokina 2008: Broncolor's new Scoro power packs and UV light modifier

This video shows two of Broncolor's representatives describing some of the new features and enhancements of Broncolor's new flagship power pack. As noted in the video, the pack won't ship until the beginning of next year but it's an exciting new offering by Broncolor.

We also discuss Broncolor's new UV light mod.
