Improvaganza 2005 - Full Photo Gallery

I have uploaded all of my photos up to the end of Day 10's matinee in this gallery. The gallery will Theatre Groups: you're welcome to use the photographs for promotion purposes. It would be nice to be credited and tearsheets would be cool, too. =) If you are using the photos on the web please e-mail me with a link and I'll link back to you. For print, e-mail me with a requested file number and I can pass along a full resolution version of the photo. Photographic prints of the photographs are available to performers and the theatre groups involved for \$0.50 for 5 x 7's, \$2 for 8 x 10's and \$2.50 for 8 x 12's. Blog entries with highlights to follow.

Dude . . . is this just-went-to-China Dan or some other Dan? =P If you're the former, what's up? GOt your post card, thanks dude. =)

I've got a few more entries to add but I haven't put them live yet because Rapid Fire Theatre's site is linked to the main part of my blog and I haven't been able to get in contact with the person that I normally talk to about stuff like this. I'm setting up another page to link to the entries pertaining to RFT along with the gallery (more galleries still to be added, too). Once I get that up I'd feel comfortable adding more entries which will end up pushing the RFT entries further down on this page.
